## Vacancy Details

<b>Job Title:</b>	Security Officer
<b>Type:</b>	Permanent
<b>Location:</b>	High Wycombe
<b>Hours:</b>	48 Hours per week
<b>Pay Rate:</b>	£9.00 per hour

We are currently looking to recruit a Security Officer to work at one of our manufacturing client's buildings which is based on a business park in High Wycombe. This is a full-time, permanent role requiring an individual who can work 48 hours per week covering nights and weekends. In addition to this there will also be ample opportunity for overtime to boost these earnings should it be desired.

Your main function is to ensure the safety and security of our clients' buildings and assets. Typical duties will include controlling access to the site, handling enquires, responding to alarms, incident handling, patrolling, greeting visitors and other general security related duties.

In addition to your normal earnings you will also receive enhanced payments when working on a bank holiday, paid training, access to an employer contributed pension scheme, company sick pay, personal accident cover and full uniform will be provided free of charge.

The ideal candidates should have:

- Prior experience working as a security officer within the security industry
- A valid frontline SIA licence (Security Guarding, Door Supervision or Close Protection)
- A full UK driving licence
- Unrestricted right to work on a full-time basis within the UK
- Be fluent in spoken and written English

Please note that due to the nature of the roles, all successful candidates will be required to be security screened in accordance with BS 7858 and as such will need to have a five-year checkable employment or educational history or able to provide evidence of any periods of unemployment.

If you are interested in applying for this role then please submit an up to date CV, ensuring that it covers at least the last five years.
